Special Diets/Allergy Form

The Company is committed to providing meals for children with special diets for medical and cultural requirements.

It is essential that all parties concerned work together when providing a safe, special diet and that this is reviewed with every menu change. Therefore, please ensure this form is fully completed. If the parents and Head teacher are happy, we will also display a 'Food Allergy Record Sheet' and a photo of the child on the kitchen wall near the server.

It is vital that all forms are accompanied with a referral letter or other information from a medical professional (GP/consultant/dietician). The Operations Manager & Unit manager may need to meet the student's parents/guardian to discuss any specific dietary requirements. This form should be handed into the school and discussed with them in the first instance.
